## **PROFESSIONAL SUMMARY**

Highly motivated and results-oriented professional with extensive experience in data analysis, project management, and leadership. Proven ability to leverage technical expertise and business acumen to deliver impactful solutions. Skilled in data analysis tools (SAS, Alteryx, Power BI, Tableau), scripting languages (Python, PowerShell, VBA, SQL), and Cloud computing (Microsoft Azure). Possesses strong leadership and communication skills, honed through team leadership roles at TD Bank and the Canadian Armed Forces.

## **SKILLS**

- Scripting/Programming: Python, PowerShell, VBA, SQL, C#.
- Data Analysis: SAS, R, Alteryx, Power BI, Tableau.
- Business: Compliance Audit, Accounting & Financial Analysis, Project Management.
- Soft Skills: English, French, Leadership, Negotiation.

## **CERTIFICATIONS**

- IT: Microsoft Azure AZ-900, CISA (ongoing).
- Risk Management: TD Bank Operational Risk Management certificate.

## **WORK EXPERIENCES**

*Team Lead, MDM (Master Data Management)* - TD Bank (Toronto, Ont.). 06/2022 - Present.

- Lead a high-performing team of 9 Analysts responsible for the meticulous maintenance of TD Bank's chart of accounts and two critical ledgers, GACS and PSGS. This role directly impacts the bank's financial reporting accuracy and compliance.
- Key achievements:
  - Legendary Award and Corporate Bright Ideas Award (June 2022) for moving the U.S Ledger maintenance forms to the FPS ticketing system.
  - Successfully Led the HMT-to-Oracle ERP migration and New Common Chart-of-Accounts (CCOA) policy compliance projects.

*Senior Data Analyst* - Canada Mortgage and Housing Corporation (Ottawa). 09/2020 - 06/2022.

- Performed monthly Rental Market Analysis for eastern Canada.
- Assisted in transforming legacy SAS codes to Python/PySpark and R.
- Key achievements:
  - Migrated large data sets (+35 Terabytes) from legacy systems (Mainframe, SAS datasets, Cloudera) to Azure Databricks platform as well as modernizing and automating data ingestion, processing, quality assurance and dissemination.

*Platoon Commander* - Canadian Armed Reserve Forces. 09/2020 - Present.  
Currently posted to The Royal New Brunswick Regiment in Edmundson, NB.

- Leading a group of 30 Infantry men and women.
- Planning troop's weekly exercises.
- Military Deployment Orders:
  - British Columbia: COVID-19 vaccine distribution (Dec. 2020).
  - Nova Scotia: Tropical storm Fiona (Sept. 2022).

*Senior Analyst, Derivatives Accounting* - TD Bank (Toronto, Ont.). 10/2018 - 09/2020.

- Processed accounting journal entries for high-volume derivatives desks across three international locations: US, UK, and Singapore.
- Reconciled daily accounts and maintained accurate financial records for derivatives trading activities.
- Prepared and analyzed daily Profit and Loss reports to provide valuable insights into trading performance and risk management.
- Key achievements:
  - Enhanced efficiency by automating daily account reconciliations using Excel VBA, saving approximately 2 hours per day.
  - Streamlined financial reporting by automating daily Profit and Loss calculations using Excel VBA, leading to a 1-hour daily time saving.

*Senior Accountant & Auditor* - Grey Eagle Resort & Casino (Calgary, Ab.). 03/2015- 10/2018.

- Ensured compliance with anti-money laundering (AML) regulations and facilitated transparent financial reporting through diligent monitoring and collaboration.
- Consulted with the Financial Transactions and Reports Analysis Centre of Canada (FINTRAC) to ensure accurate and timely monthly reporting.
- Key achievements:
  - Presented anti money laundering (AML) training workshops to over 20 employees (dealers, slot attendants and gaming managers), significantly improving awareness and compliance.

## **EDUCATION**

- UNIVERSITÉ LAVAL - Québec (Canada). 09/2023 - Ongoing  
Master's degree (M.Sc.), Information Technology Management.

- CENTENNIAL COLLEGE - Toronto (Canada). 01/2021 – 12/2021  
Diploma, Software Engineering. (2/4 semesters completed, focusing on C#, Python, SQL).

- UNIVERSITÉ DE MONCTON - New Brunswick (Canada). 09/2010 - 10/2014  
Bachelor of Business Administration, Accounting.
